I would like to tell about a public event I have seen on TV. It was a football match in European championship. I believe it was finals, when the winner gets a trophy.

The participating teams were France's national team and Italy's national team. Unfortunately, I don't remember the place, but I know it was pretty recently, probably one or two years ago.

The match was really simple. Both French ~~and~~ Italian teams had the same score for majority of the match, so it wasn't really interesting. The real fun began at the end of the match.

At first, France had 1 strike, but in the end, Italy struck 2 goals out of 3.

I really liked the day of Russia national event that all of the people of Russia, includes me and my family were celebrated. "the day of Russia country" is the national event, that has it place in Russian towns every year.

The event took place in the center of Kaliningrad. It lasted for two days and involved different songs, dances, competitions and folk attributes of Russian culture.

The day of Russia country" involved all the people from our country, but it to talk about Kaliningrad - there were so many city-people, tourists and volunteers that all the streets of the city were crowded. People ate different kinds of national food, took part in various competitions and just had fun that day.

The event officially ended by it's concert that was given by a famous Musicians of Kaliningrad.
